ew wars in modern history have caught the public's eye as did the six day Arab-Israeli conflict of June 1967. Filled with passions and feelings that were over a thousand years old, both sides fought what they called a "holy war."

Now all of the passion and lust of that war is brought to the screen in a daring adult film called "HOT SANDS" (A DESERT ODYSSEY)." Filmed among the dunes and in exotic tents, the movie shows for the first time all the human feeling and desire that can explode during a war.

ski, three of the toughest and best looking sabras in the corps, take the mission. They are to enter the Arab stronghold of Kuwunt and bring back what information they can. If they are caught, however, they will be treated as spies.

Dressed in Arab robes, the three girls take off for Kuwunt only to run into a crew of nomadic raiders. These men, while Arabs, don't care about politics. All they can see is that they have three more females for pleasure.

SCENE II: A WOLF IN SHEIK'S CLOTHING

A madcap race over the sand brings the girls and the raiders to tent of Sheik Akaba. From the sounds the girls hear from the inside of the tent, they know what Akaba has in store for them.

Unlike many of the films from Scandinavia that seek to play only the adult market in America, "TULI" is a deep and very moving film. While others have attempted to shock with graphic sexual scenes, this film covers the screen with a tender and sensual love story.

The lush rawness of Finland stands as the background to this touching film. In color and with English sub-titles, it should play at an art house in your area soon.

He sends a detachment out to save Kaplen. Through the night the crew of fighters slogs through the sand. Meanwhile, the war rages around them.

Kaplen is still held captive by the nomads when they get there. After a short fight, she is released.

The film ends with all three girls getting medals for their heroic actions. A fitting end to a strong and exciting film.

GYPSY PASSIONS

He went from the brink of death to insane heights of wild lust

Have you ever had the urge to go to a fortune teller and find out what your future holds? The lead character in "GYPSY PASSIONS" has such an urge and this film tells the story of what happened to him.

At the start of the picture he is down, he is out, and there seems to be no real reason for him to continue to use up air. With some time to kill before he throws himself off a bridge, our hero finds himself in front of Madame Puntawaski's Gypsy Card and Tea Reading Room.

NAKED PURSUIT

Caught up in the swirling tide of student protest and rioting, a young man becomes the unintentional murderer of a policeman. Handcuffed and enroute to jail, he takes advantage of a momentary lapse in the guard's attention and escapes to the woods. Soon, his pursuers tire of the chase and he is left to his own resourses.

As he walks near the seacoast he notices a young girl wandering aimlessly. Staring at her from behind cover he realizes that she is not only young but also very beautiful. Unable to conserve his swelling desire he approaches the girl, who, when she realizes what could happen, begins to run.

The girl runs frantically to avoid the attack she knows will ultimately occur. Finally he catches her and rapes her savagely.

Ironically, the girl was at the beach to commit suicide after finding out that her mother had taken a lover. However, once she had tasted the fires of passion that the rape had brought out of her, life takes on a new meaning and she decides that there is pleasure waiting for her to discover...leaves the scene resolving to enjoy a new kind of life.

A NEW BREAKTHROUGH IN ADULT CINEMA...

ntorcourse

ARE YOU HUNGRY FOR THE REAL THING ...?

If you are, forget what's now being shown in some public theatres, and the sluff you can see on the open news-stand (and some of it's pretty hot). I may be prejudiced, but my film beats anything you've seen.

Let me tell you how it happened. My boyfriend and I, and an exciting slippery-skinned black girl, were in the middle of making a REAL movie. We were busy playing tongue-and-finger games with each other in bed, and so much pleasure was generated, we nearly went out of our minds. Pearl (my black girlfriend) and Fred began to the could be a second or the could be a second o began to quiver and gasp as they tried every position they could think of Suddenly they slide into one of the most fantastic ORAL Sequences I've ever seen. I got so excited, I had to dive in myself... I just couldn't hold myself back...

You understand, I can't go into any more details about my film. You must experience it for yourself.

You can relive all of this with me, in this personal adult film...

Interested? Let me hear from you. Game
